

ADDENDUM NO. 1

SOUTH SEMINOLE & NORTH ORANGE COUNTY WASTEWATER TRANSMISSION AUTHORITY, FLORIDA

PIPE REPLACEMENT CONTRACTOR CONTINUING SERVICES RFP NO. 2018-001

MAY 1, 2018

This addendum is hereby incorporated into the bid documents of the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining, deletions are indicated by ~~strikethrough~~.

A. BIDDER QUESTIONS

1. How should the fittings be quantified for inclusion in pipeline installation?

Fittings should be quantified by tonnage and incorporated into the estimated quantity or inclusion in the total cost.

2. How should Line Items 1 – 3 be quantified for pricing?

Line Items 1 – 3 should be quantified as a percentage.

3. Is there a Line Item for Maintenance of Traffic (MOT) and how would it be quantified for pricing?

No line item will be provided for MOT in this RFP. SSNOCWTA assumes MOT will be based on the individual projects and evaluated during project bidding.

4. Can a list of approved manufacturers be provided?

An approved list manufacturers for SSNOCWTA has been provided.

5. Line Item numbers 101 – 104 are repeated.

An updated bid sheet (Attachment A) has been provided.

6. May other utility pipeline replacement work be used for relevant work history i.e., potable water, reclaimed water, storm water, raw water, gravity sewer line instead of only force main work?

Pressure pipe replacement/installation work will be considered relevant work history.
Non-pressure pipe work will not be considered relevant.

- B. The Bidder shall acknowledge receipt of this addendum by completing the applicable section in the solicitation.**
- C. All other terms and conditions remain the same.**
